

VDC ICO Sale Guide

INTRODUCTION

Welcome to the VDC ICO Sale Guide.

This guide has been put together to help intending VDC holders purchase VDC the right way.

The guide has been divided into two sections as there exist two different methods to purchase tokens throughout the duration of the ICO.

The steps are easy and pretty straight forward. It contains pictures for illustration purposes.

DISCLAIMER

This is a quick guide to help you purchase VDC before, during and after the ICO. It is not the project white paper, and so will only contain relevant information to help you on the subject it was written to address namely, to help in the purchase of VDC during and after the ICO.

This guide is subject to change without any prior notice to you.

All information contained in this guide is correct at the time it was published.

Ensure you visit VDC official website <https://vidstream.org> always, as more information regarding sales of VDC during the ICO period will be published there.

SECTION ONE

(Purchasing VDC through the WAVE platform).

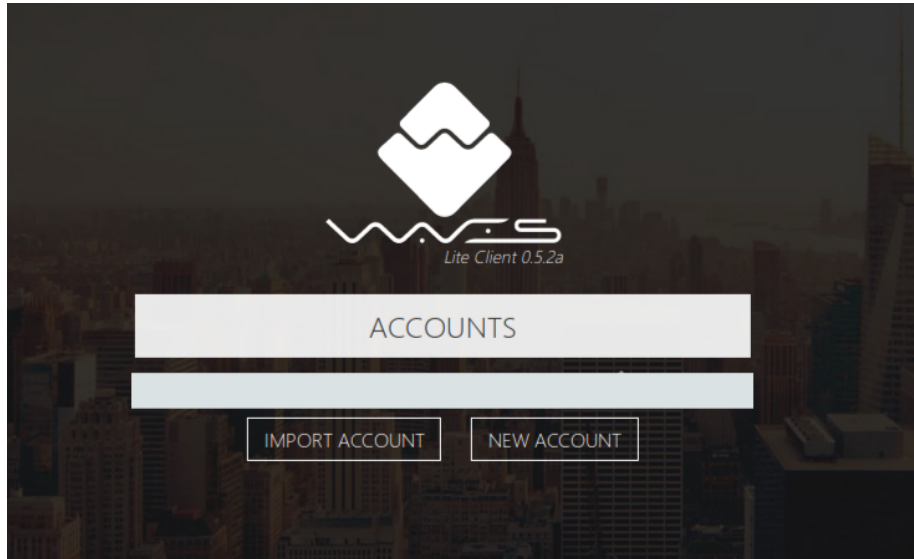

The following rules apply for intending VDC holders who wish to purchase VDC tokens through the WAVE platform:

- a. Funding your Wave wallet requires a valid credit/debit card.
- b. The minimum amount required to fund your wave account is \$30.00.
- c. You may decide to fund your Wave wallet using either Bitcoin or Ethereum.
